Thiagarajar Mills Limited and Virudhunagar Textile Mills Limited

- A Profile

Thiagarajar Mills Ltd., and Virudhunagar Textile Mills Ltd., have come to have their place in the textile world as a result of sustained and consistent performance for the past six decades.

THE INFRASTRUCTURE

With 61,180 spindles, 480 rotors, 300 looms and five factories, turning out 25,000 kgs. of yarn, 45,000 metres of fabric daily and employing about 1,600 trained workers, these enterprises have come to play an important part in the export trade of India.

The latest and the best in equipment in the form of Auto levellers, Hi speed combers, Auto winders, Two for one twisters, Air jet looms and Sulzer looms, are in place, all to ensure quality of the highest order. Also in place are automatic cone winders with electronic yarn clearer and splicers to provide fault free and contamination free yarn, to meet and exceed stringent standards of excellent customers.

Pioneers in INDIA to instal and operate **LIETEL**® ComforSpin K44 spinning machines for manufacturing **COMA**® Compact Yarn.

To add to our excellence is the ISO 9002 certified process which ensures product quality.

THE PRODUCE

Manufacturing yarn of 6's to 12's count on open end spinning machines and 16's to 120's count carded and combed on classical ring spinning process. Folded yarns (TFO), gassed mercerised yarns and dyed yarns are specialities. The fabric produced - from 38" to 144" width weighs upto 14/oz/sq.yd.

CREDENTIALS

Total sales of about US\$ 45 million with products touching the shores of America, Australia, Europe and South Asia and 20 other countries stand testimony to our world class production. The fifteen export awards won for outstanding export performance in the country, for nine consecutive years now, speak volumes of the groups credentials.

Thus making a vital difference and standing out from the rest.
